

# Best practice for equal opportunities for women and men in the transport sector

Fields marked with \* are mandatory.

Your organisation is committed to strengthening women's employment and equal opportunities for women and men in the transport sector? Please fill in this form to share your best practice example.

\* Name of your organisation

*200 character(s) maximum*

Hochschule Karlsruhe - University of Applied Sciences. Transport Management Degree Programme

\* Country

Germany

\* Project title

*200 character(s) maximum*

Girls' Day in the Transport Management Degree Programme

\* Description of the project

*5000 character(s) maximum*

The girls' day seeks to inspire future university students in topics normally more men-oriented and show them the how wide the transport area is. We also show them how interesting the transport sector is and how our study program works. We involve our own female students to talk directly to the girls about the study programme and to create a more relax, direct and friendly day in our building and lab.

\* Impact / benefits

*5000 character(s) maximum*

It seeks to increase the number of potential female students so that they later join the transport sector as workers.
