Girls Day

* Description of the project

5000 character(s) maximum

Daughters (between 11 – 16 years) of employees have the opportunity to dive into the various technical fields and related jobs and experience how it would be to work e.g. as a bus or tram driver. This day is taking place once a year at Wiener Linien and other sister companies of Wiener Stadtwerke GmbH.

* Impact / benefits

5000 character(s) maximum

The intention is to motivate young girls choosing a technical job or starting a technical education. Wiener Linien offers a wide range of apprenticeships within the technical field. We want to attract girls to start their further education and later career in our company.
